

# Global Summit

**28 - 29 October 2026**  
**Antwerp, Belgium**

Sponsorship & Exhibition  
opportunities

The Global Summit is IMCA's most prestigious event, bringing together over 400 business leaders, decision-makers, and technical experts from across the world to shape the future of the offshore contracting sector.

**The 2026 Summit** will be held on 28 – 29 October in Antwerp, and we are offering industry partners the opportunity to support the event through our sponsorship and exhibition packages.

Position your brand at the forefront of IMCA's globally-recognised efforts to improve the safety, efficiency, and performance in the marine energy sector.

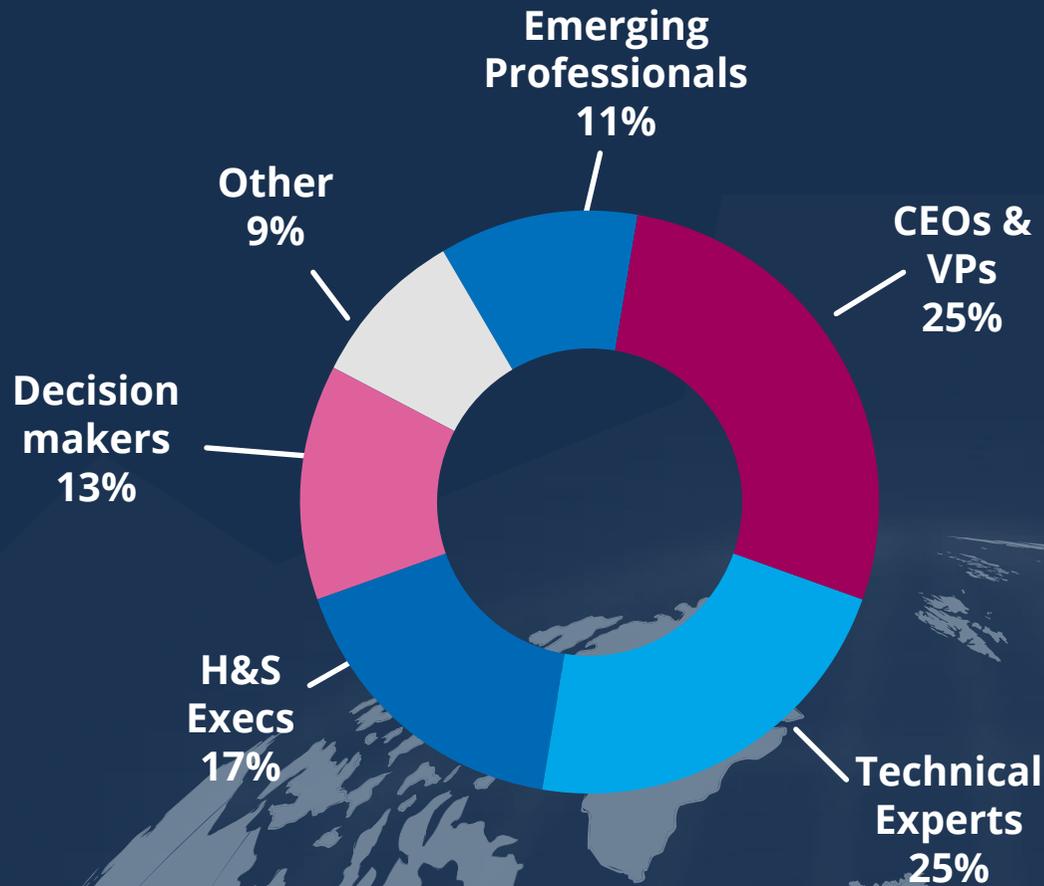

## Key themes and topics

The IMCA Global Summit 2026 will be building on the success of the 2025 event and continue to be at the forefront of **safety, technical developments** and **AI** and aim to **shape how marine contracting will evolve** in the coming years. As always, it hopes to inspire and attract the next generation to a field of endless opportunities and define the future of an ever-evolving energy landscape.

These topics will be explored via keynotes and presentations from established global experts, engaging panel discussions, collaborative workshop sessions, and structured debate. And, we will celebrate best practice and outstanding achievement at a special ceremony to announce the winners of the 2026 IMCA Awards.

# Global Summit 2025 in numbers

## Types of attendees

The summit was attended by more than **400 companies** and delegates from **37 countries**, specialising in offshore business activities including:

- Offshore energy (oil and gas)
- Offshore renewable energy
- Subsea engineering and services
- Offshore construction and installation
- Offshore survey and positioning
- Offshore vessel services
- Supporting services, including training, safety, and technology provision.

## Some of the companies that attended

# In our exhibitors' words

We had some great feedback from our team too and they really felt the sponsorship package was great value for money and brand exposure. The aprons etc we're a great addition. Thanks for the date for next year, we will add it to our calendar!

Thank you for hosting such an engaging and well-organised Global Summit. On behalf of the entire Smart Dives team, would like to express our sincere appreciation for the opportunity to participate.

The two days were indeed intense, insightful, and filled with valuable discussions. It was a pleasure to connect with so many industry colleagues and contribute to the conversations shaping the future of our sector.

We will make sure to complete the survey, and we look forward to supporting future IMCA initiatives. //

# Partners in 2025

# Exhibitors in 2025

# Why sponsor the Global Summit?

Help lead discussion of key topics over two days of **specialised content** focussing on challenges and solutions facing our industry

Position your company as a **thought leader** by showcasing your expertise and innovative solutions in panel discussions and presentations

Meet hundreds of international delegates, and deliver excellent **networking** and **sales opportunities** for your products and services

Influence **regional policy** and initiatives through sector-specific discussions and workshops

**Increase** your **brand's recognition** among a targeted audience of industry professionals, like CEOs, engineers, project managers, and technical experts
