

## Equipment damaged by waterspout

Safety Flash Published on 16 April 2014 Generated on 28 January 2026 IMCA SF 06/14

The United States Department of the Interior Bureau of Safety and Environmental Enforcement (BSEE) has published the following safety alert, regarding an incident in which hydraulic work-over equipment was toppled over and damaged by a waterspout which touched down nearby. A significant amount of equipment was lost as a result, but there were no injuries or loss of life.
